

“What will you do with the money you save with childcare vouchers?”

You could save up to £1,196* per parent per year or £2,392* per family per year, via the Fideliti Childcare Voucher Scheme.

What are Childcare Vouchers?

Childcare Vouchers are a tax and national insurance efficient way of paying for registered childcare. Your employer will agree to you exchanging part of your pre-taxed salary for childcare vouchers. This exchange is commonly referred to as a 'salary sacrifice'.

Vouchers can be used to pay for the following registered and approved childcare for children from 0-16 years!

- Nannies and Au Pairs
- Nurseries
- Playgroups
- Day Care
- Independent nursery schools
- Childminders
- Pre-schools
- Before and after school clubs
- Holiday clubs/activities
