CENTRAL COLLEGE...

A Great Environment for Study

At Central we have a good range of subjects for you to choose from and being a government-funded college means that we are not tied to one particular university – you choose where you want to progress to and we help you to get there.

You will benefit from studying in a college environment, with smaller class sizes than if you were to study in a university and close personal attention from subject tutors, who get to know you as an individual and support you with your learning needs.

We are accredited by the British Council for teaching English as a Foreign Language, which means that our courses and support services for international students are subject to rigorous inspection. This combined with our status as a Highly Trusted Sponsor with UK Visas and Immigration means that you can be confident you are choosing a reputable college with high quality teaching and excellent progression opportunities.

NOTTINGHAM...
A Student City

Did you know that thousands of students from all over the world choose Nottingham as their study destination each year?

Why? Because the city has a combination of excellent designer and high street shops; a vibrant music scene with live bands and clubs; and a busy cultural hub, with art galleries, theatres, and independent designers in the historic Lace Market and surrounding areas.

Also, there are lots of bars and cafés in the city as well as restaurants with a wide range of international foods to try with your friends. You could even visit 'Ye Olde Trip to Jerusalem', reported to be England's oldest inn.

A trip to Sherwood Forest Country Park allows you to enjoy the great British outdoors and see the home of the legend Robin Hood and the world famous Major Oak.

Why not visit the homes of two of the most well-known British writers, Lord Byron and DH Lawrence, or step back into the city's past at Nottingham Castle and in the historic caves which lie beneath the city?

NOTTINGHAMSHIRE...

County of Sporting Legends

Whether you love to play sport or want to see sporting stars in action, you will have a great choice in Nottinghamshire.

The county is home to two Football League clubs – Nottingham Forest (main picture), made famous under the management of Brian Clough in the 1970s and 1980s for back-to-back European Cup wins and Notts County Football Club, the oldest football league club in the world.

If you prefer cricket, you can watch international test cricket at the world-famous Trent Bridge, which is also home to Nottinghamshire County Cricket Club.

STUDENT LIFE

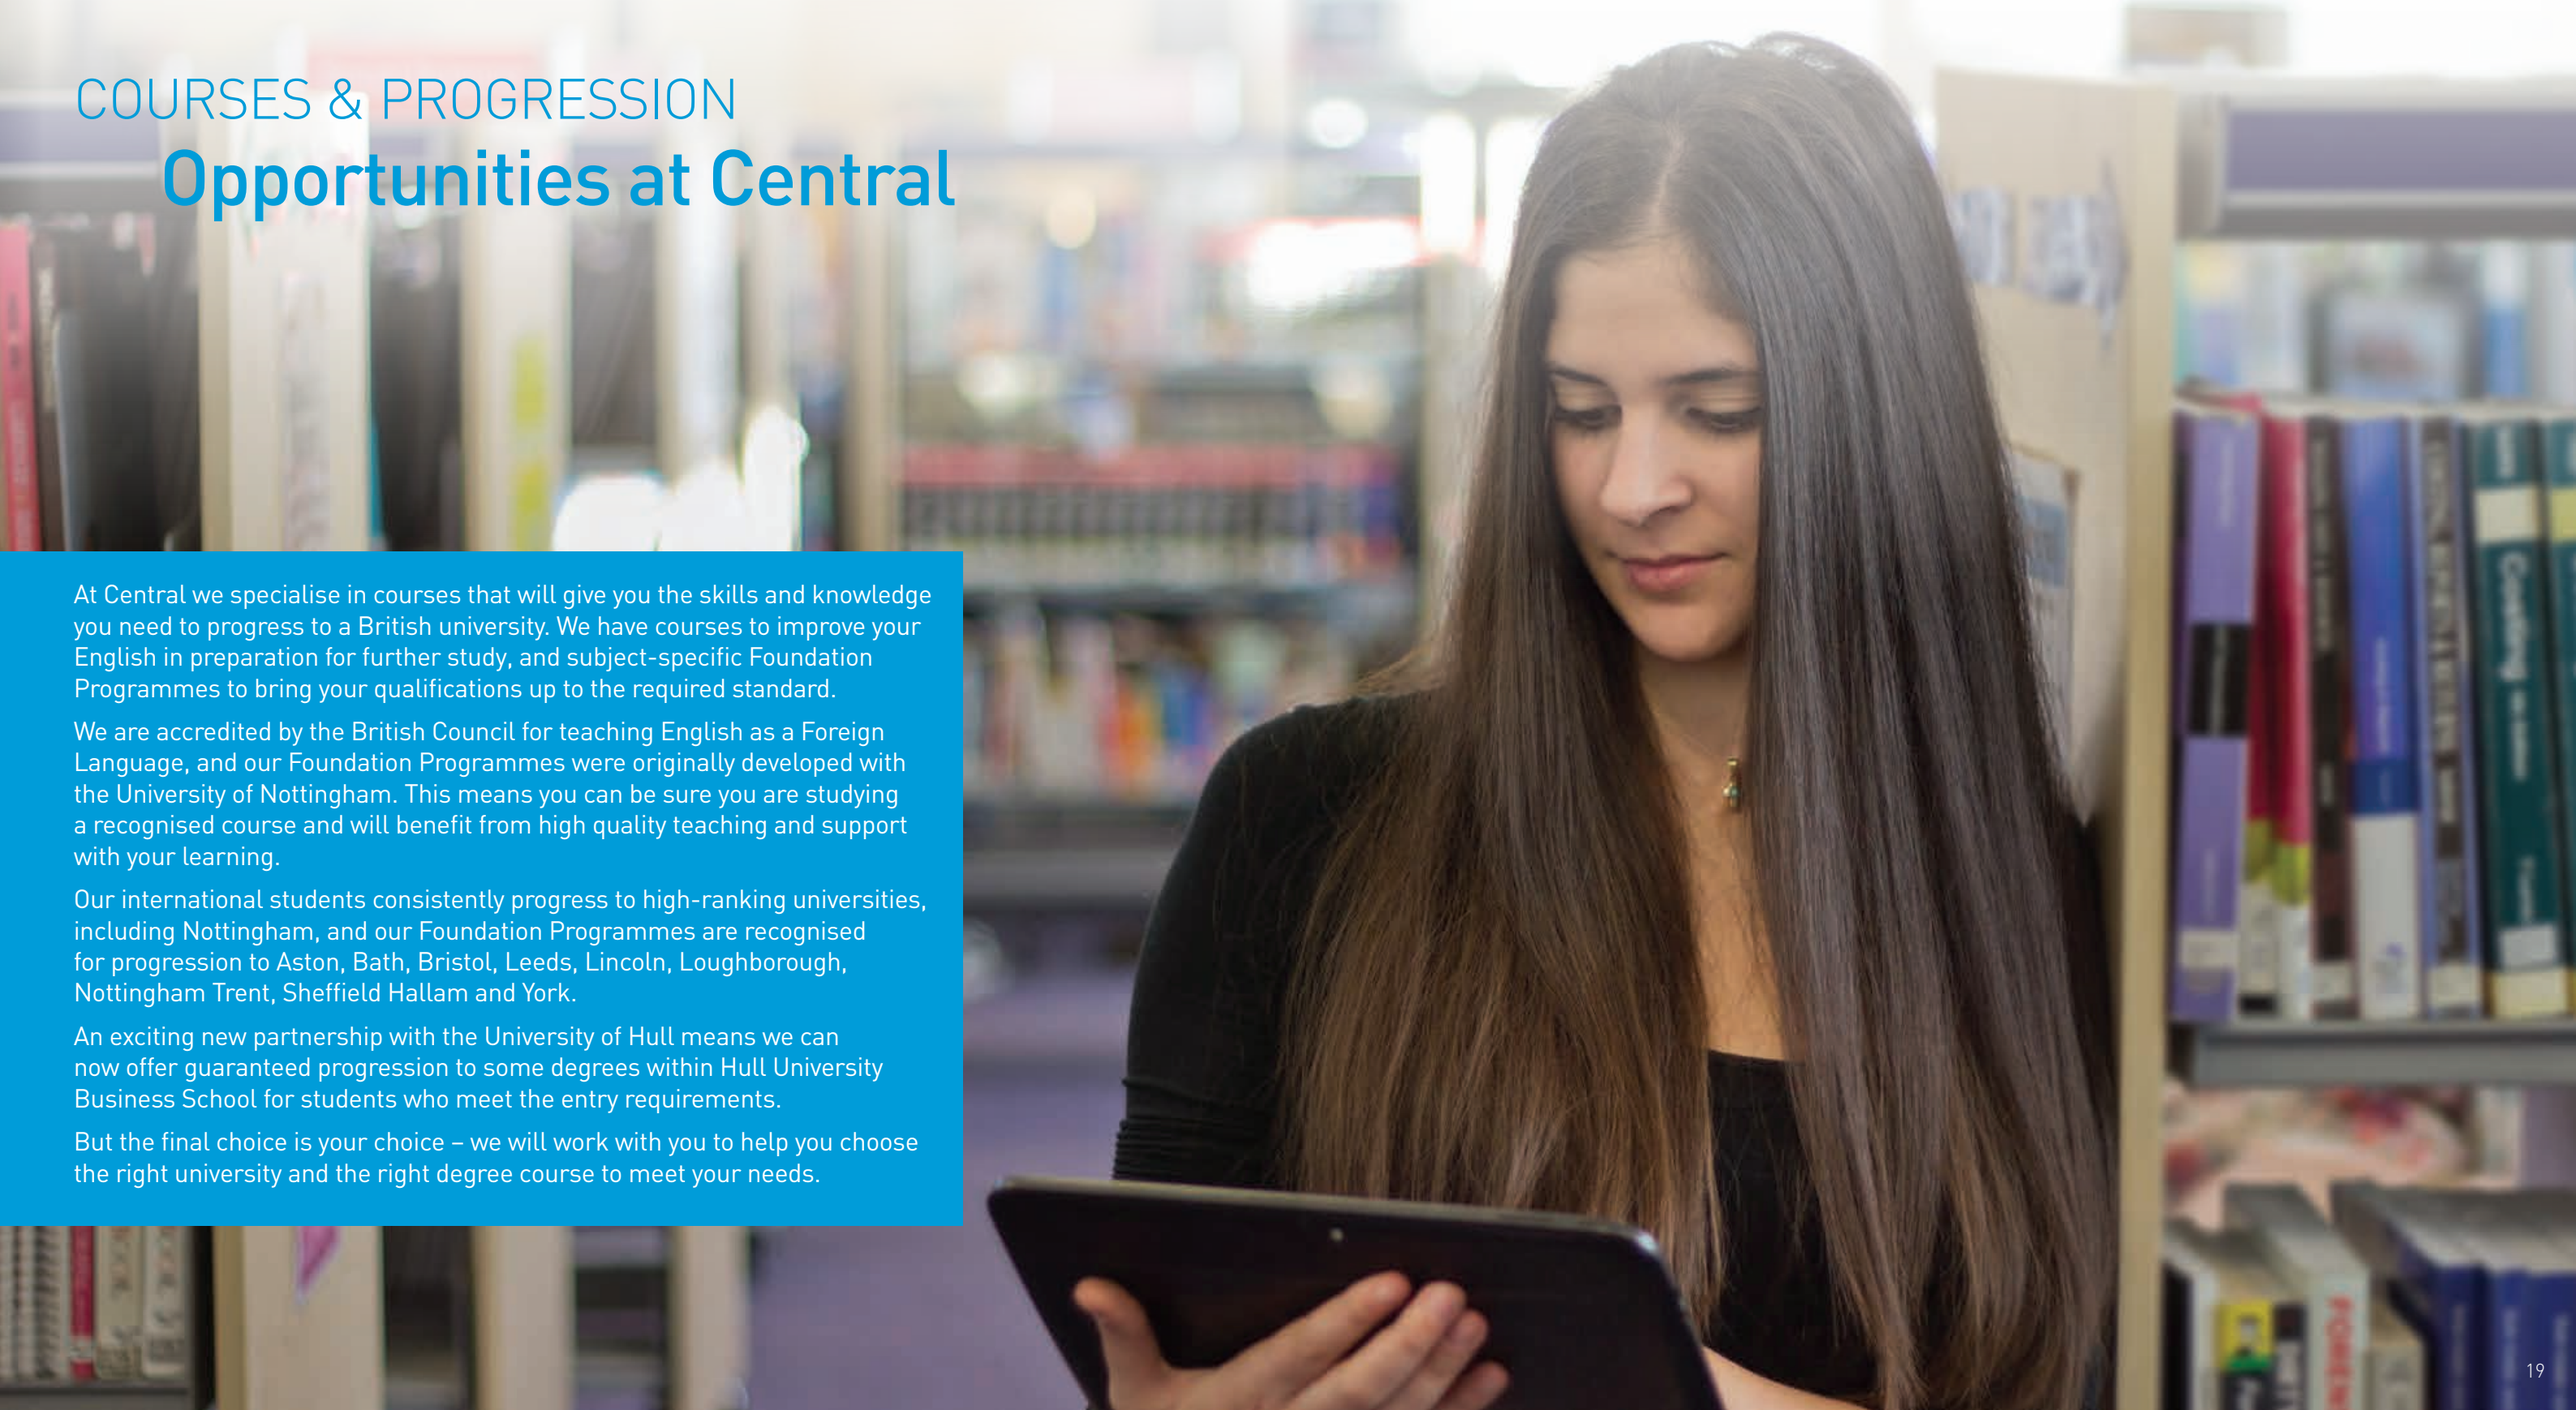
Where You Will Live

As an international student, one of the most important things when you come to the UK will be to make sure you have somewhere safe, friendly and welcoming to live. Our Accommodation Service is here to help you find the best accommodation to suit your needs. The safety and security of our students is of utmost importance to us, which is why we offer compulsory Homestay accommodation for all students under the age of 18, and offer all students assistance in finding a place to live.

- **Homestay** involves living in a British home as a member of the household. You will have your own bedroom but will share common living areas and bathroom facilities with other members of the household – an excellent way to improve your English and learn about British culture! Some hosts offer inclusive meals, whilst others are on a room-only basis. Most offer internet access and all heating and lighting costs are included in the rent. All hosts are required to complete criminal records checks prior to being appointed and are inspected annually to ensure the facilities they provide comply with College guidelines.
- **Self-catering** student accommodation at various locations around the Beeston area and in the city centre is available to book through the International Office. Rooms vary from private studios to en-suite rooms with shared kitchens. Wireless internet, heating and electricity costs are included in the rent. This type of accommodation offers a fantastic opportunity to meet new friends from different countries!
- **Private rented houses** are available for those aged over 18, who prefer to live independently or with a group of other students or friends. Although we are unable to arrange this for you, we can offer advice on how to find a house to meet your needs. Rent varies and is usually for the accommodation only (food, internet, heating and electricity are extra costs). Students choosing this type of accommodation usually stay in a hotel for the first few nights to allow them time to look at potential properties before signing a legal agreement with the landlord.

COURSES & PROGRESSION

Opportunities at Central



At Central we specialise in courses that will give you the skills and knowledge you need to progress to a British university. We have courses to improve your English in preparation for further study, and subject-specific Foundation Programmes to bring your qualifications up to the required standard.

We are accredited by the British Council for teaching English as a Foreign Language, and our Foundation Programmes were originally developed with the University of Nottingham. This means you can be sure you are studying a recognised course and will benefit from high quality teaching and support with your learning.

Our international students consistently progress to high-ranking universities, including Nottingham, and our Foundation Programmes are recognised for progression to Aston, Bath, Bristol, Leeds, Lincoln, Loughborough, Nottingham Trent, Sheffield Hallam and York.

An exciting new partnership with the University of Hull means we can now offer guaranteed progression to some degrees within Hull University Business School for students who meet the entry requirements.

But the final choice is your choice – we will work with you to help you choose the right university and the right degree course to meet your needs.

FREQUENTLY ASKED Questions

HOW CAN I BE SURE I AM COMING TO A GENUINE COLLEGE?
Because we are a government-funded college of further education, you can be sure that we are a genuine institution, offering high quality teaching. Our status as a Highly Trusted Sponsor shown on the Home Office's official Register of Sponsors means that we are approved by UK Visas & Immigration to sponsor students to come to the UK for study under Tier 4 of the Points Based System and are subject to rigorous compliance checks to ensure we operate appropriately.

I WANT TO COME FOR JUST A FEW WEEKS TO IMPROVE MY ENGLISH – IS THIS POSSIBLE?
Yes – we offer flexible English as a Foreign Language courses from 3 weeks up to a full academic year. With enrolment for EFL every Monday during term time, you can choose a start and finish date to suit you.

DO I NEED A VISA?
Unless you are from a country within the European Union or a 'non-visa national' country then you will need a visa to study in the UK. You can choose to come as a Student Visitor to study English language, or as a Tier 4 General Student for a longer course at NQF Level 3 or above. Please see the UK Visas & Immigration website for more information at: www.ukba.homeoffice.gov.uk/visas-immigration/

WILL I NEED IELTS TO GET A PLACE AT THE COLLEGE?
For courses such as International Foundation Programmes, where a set level of English is needed, you will need to have taken IELTS or an equivalent qualification. We recommend that you refer to the UK Visas & Immigration list of approved Secure English Language Tests (SELTs) for alternative qualifications, particularly if you need a Tier 4 General Student Visa: www.ukba.homeoffice.gov.uk/sitecontent/applicationforms/new-approved-english-tests.pdf

If you are coming as a Student Visitor for EFL then you do not need IELTS but should have some evidence of any previous study of English.

HOW QUICKLY CAN I GET AN OFFER LETTER?
We aim to send out all offers within 3 business days (Monday to Friday in the UK), as long as you have included all of the supporting documents we need. If documents are missing we will be unable to process your application so it will take longer for you to receive an Offer Letter. So please check before you submit your application that you have included everything listed on pages 30-31.

Yes – we will advise you on things such as how to open a bank account and how to register with a doctor during your Induction Programme when you arrive at the College.
